The St. Louis National Charity Horse Show follows the guidelines of the State of MO and the United States Equestrian Federation to protect the health and safety of all the horses at the show. At the printing of the prize list, the following are the requirements for all horses entering the property.

1. All horses must have proof of negative Coggins test performed within 12 months of the show.
2. All out of state horses must have a Health Certificate within 30 days of the show.
3. VEE vaccination within 14 days of entry on horses originating from states in which VEE has been diagnosed within the preceding 12 months. An entry permit is also required on horses from such states.

All horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within 6 months prior to entering the property. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of the vaccine administration should be per the vaccine manufacturer or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations, name of the vaccines and date of vaccine administration.

In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of vaccine purchase which is signed by the owner, or agent with care, custody and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon requests by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

Copies of all necessary health papers will be requested at the horseshow office at check in.

816 USHJA Zone Hunt & Go Team Challenge

Entry Fee: \$100 | Prize Money: \$1000

Sponsored by Shannon Hicks, LLC

Fence Height: 2'/2'6"/3'

Prize money 30% for 1st, 22% for 2nd, 15% for 3rd, 10 % for 4th, 7% for 5th, 6% for 6th, 5% for 7th and 5% for 8th divided evenly among team members

The Challenge offers riders the unique opportunity to compete on teams across varying fence heights and accrue bonus points for the USHJA Zone Horse of the Year standings in the respective sections. There are no qualifying procedures, but the eligibility/participation requirements must be met. Riders must enter the Challenge a minimum of two hours prior to its start.

The class will follow a one-round, two-phase Hunt and Go format at each respective height, beginning with a Classic Hunter phase that flows directly into a Handy Hunter phase. After completing the Classic portion, horses and ponies will pass through designated markers to initiate the Handy portion. Riders may not walk or pause between phases. Three fence heights will be offered: 3'0" Children's and Adult Amateur Hunter, 2'6" Low Children's and Adult Hunter, Large Children's Pony Hunter, and 2'0" Small/Medium Children's Pony Hunter. Rider competing in the 2' division on a horse may enter, as well. Riders are only allowed to compete on one horse/pony in the Challenge. Open to Junior and Adult Amateur riders. Professionals are not eligible to compete in the Challenge.

Teams will be made up of three to four horse- or pony-and-rider combinations, assigned by random draw. Team formation begins by placing one entry from each section onto each team, ensuring an even distribution across all teams based on the total number of entries.

Formal attire is required. Designated team colors will be assigned to distinguish each group, and riders may wear their team color throughout the Hunt and Go Team Challenge competition.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable -casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation.
